LETTER FROM THE PRESIDENT

The banging of the gavel to end the Installation Banquet in January was the beginning of my term as President of the Mountain Home Chamber of Commerce. Though reluctant at first to accept the nomination, I am committed to giving my best to the Chamber and to the city of Mountain Home.

Mountain Home has been my home since 1994. Through the years, I have come to appreciate its diversity, warmth, and uniqueness. It has given my husband and me so much and I want to give back.

There are many wonderful organizations in Mountain Home that have as their goal the success and well being of our town to make it the best it can be. I am dedicated to working with these organizations toward this mutual goal.

We have a strong and talented staff in the Chamber office and they are getting better and better. Lynlee Lord, Executive Director, and Betsy Lynn, Administrative Assistant, have many wonderful ideas on improving, streamlining and creating better communication with our members and recruiting new ones. Lynlee has been dedicating an afternoon each week to visiting members and non-members alike to get them to join the chamber. The stronger we are the more we can accomplish.

I look forward with anticipation to this coming year.

Sincerely,
Nancy Brletic
President, Mountain Home Chamber of Commerce

GET THE MOST OUT OF YOUR MEMBERSHIP

Here at the Chamber, our members are our first priority. One of our goals is to bridge the gap between our members and their benefits. Below are some of the benefits that come with your Chamber Membership.

NETWORK OPPORTUNITIES

Every first Tuesday of the month we have a Business Breakfast. The purpose of this breakfast is for our Chamber members to come and share what is new with their business and network with other business owners.

RIGHT START

Every month we give 70 new families on base a packet. This packet holds fliers, promotions and other items from our Chamber members. If you want to reach new customers every month, this is a great opportunity. All you have to do is bring in 70 of your fliers, business cards or promotional items to the Chamber before the deadline and we do the rest!

INCREASE YOUR VISIBILITY IN THE COMMUNITY

As a member of the Chamber of Commerce, you have the opportunity to be highlighted in our weekly e-newsletter. If you have an event happening or a great promotion, send it our way and we will gladly promote it.

COMMUNITY OUTREACH AND PHILANTHROPY

Every Chamber event and fundraiser is an opportunity to promote your business while giving back to the community. We have sponsorship packets for every event and it includes online advertising as well as advertising at the event. Show your community that your business cares and help sponsor an event today!

ACQUIRE CUSTOMER REFERRALS

Every day, we receive calls from individuals and business looking for recommendations and we only will give them businesses that are chamber members. This gives you exclusivity that you can't find anywhere else.
